Subject: **TRAFFIC ADVISORY: Cullen Parkway Improvements Starting**

This traffic advisory is for the CULLEN PARKWAY IMPROVEMENT project. Construction mobilization activities such as offloading of equipment, materials and staging have started, and the City encourages the public to please obey the work zone speed limits, use patience and caution as the area is a construction zone. We apologize in advance for any inconvenience this may cause. Thank you.

TRAFFIC ADVISORY INFORMATION:

Streets to be affected: Cullen Parkway between Broadway (FM518) and Beltway 8

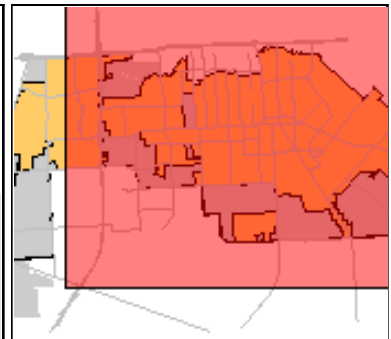

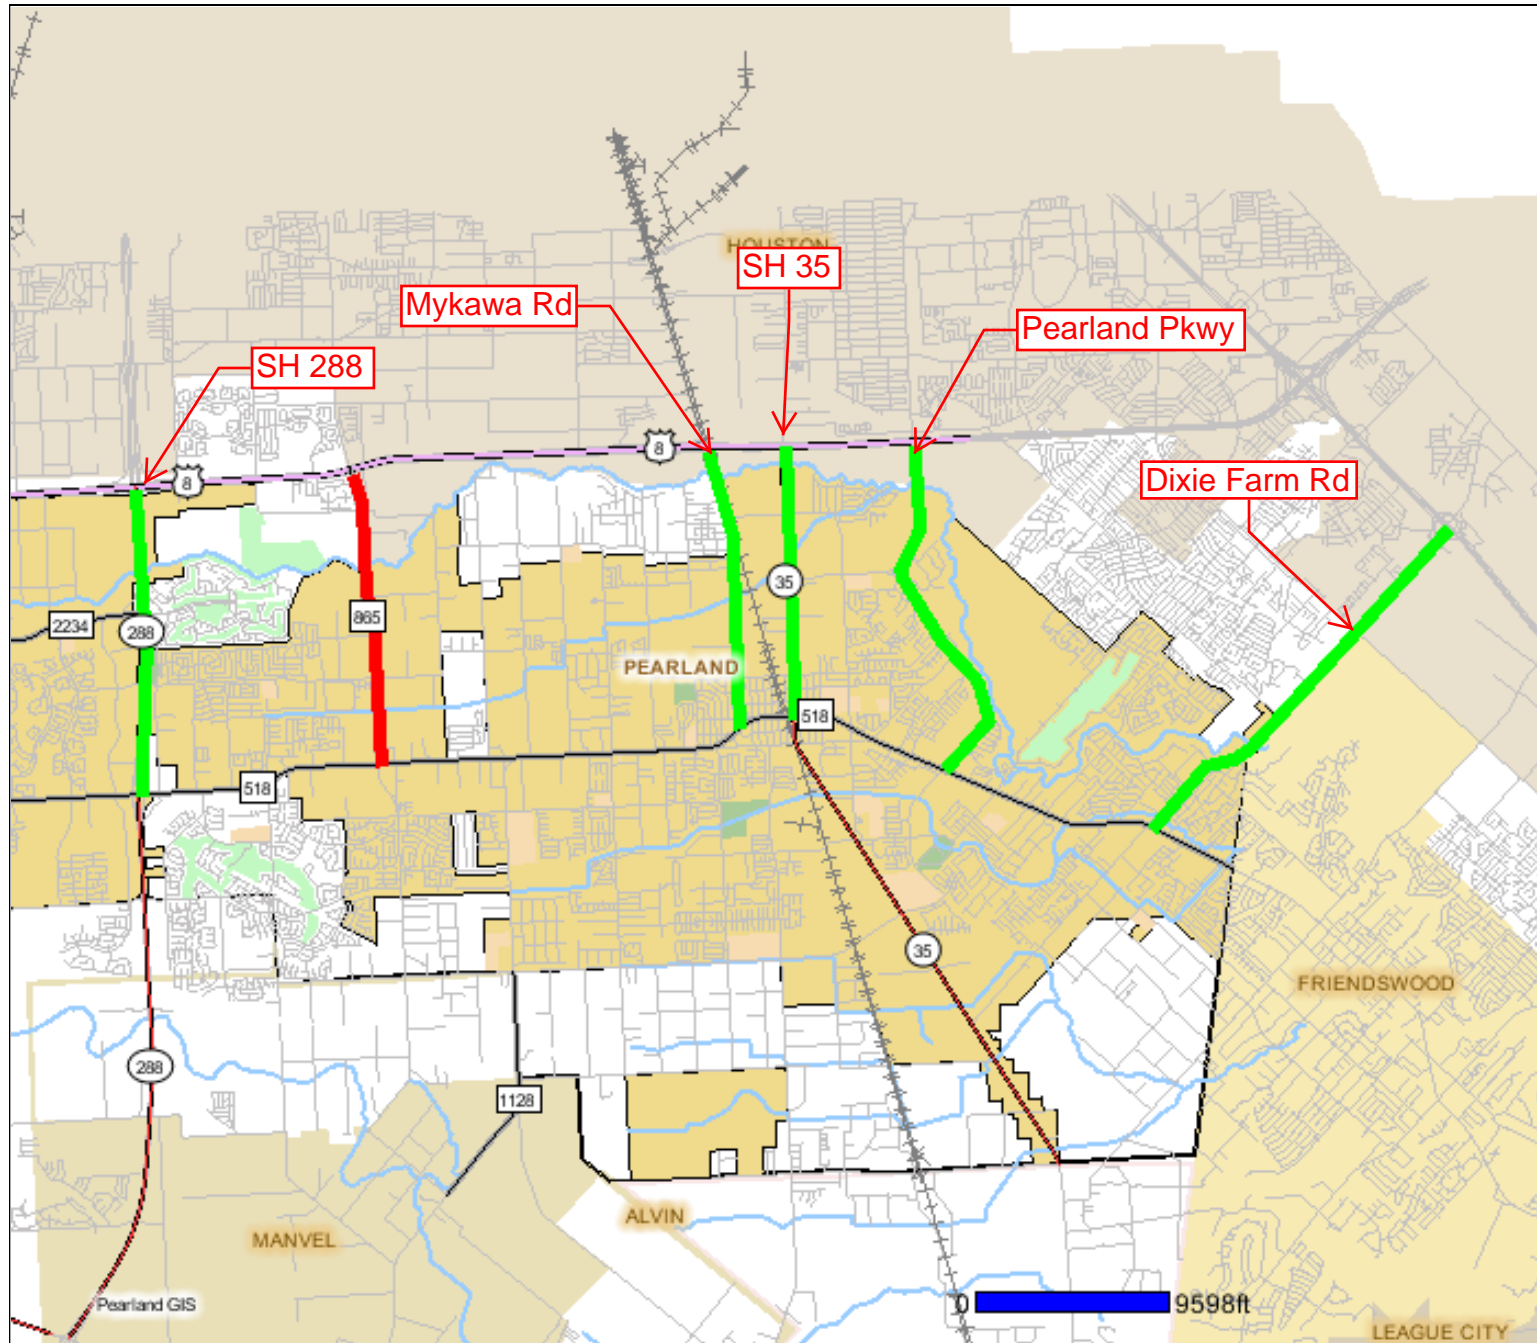

Suggested Alternative Routes: Please see the attached exhibit and seek alternate routes from Broadway to Beltway 8 (ie SH288, Mykawa Rd, SH 35, Pearland Pkwy or Dixie Farm Rd) to avoid delays due to shifting traffic patterns and work areas. The City does not recommend the use of routes through residential neighborhoods, as these have lower speed limits and will be in use by school buses and other school related traffic.
