From: Jennifer Lee, Project Manager

Date: August 26, 2010

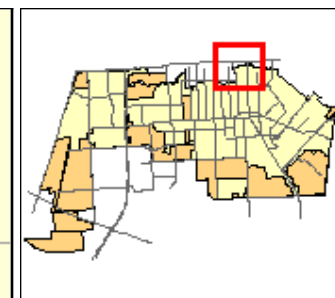

Subject: **TOTAL INTERSECTION CLOSURE: Town Ditch Improvement Project - Mykawa Rd. & Orange St. – Tuesday, September 7, 2010**

On Tuesday, September 7, the contractor will close the intersection of Mykawa Road and Orange Street to all traffic for approximately 75 days. This closure is necessary for major underground drainage work.

Detour routes have been established and signage will be in place to direct traffic for this closure. West bound Orange Street traffic will be required to turn left at Austin and follow it around to Cherry, turn right on Woody and turn left to rejoin westbound Orange. East bound traffic from the Hatfield Road will be required to turn right on Woody, follow it to Cherry turning left to Austin and rejoin east bound Orange St. at the intersection. South bound traffic coming from McHard and Mykawa will need to use Scott St. and turn left onto Hatfield to Broadway. For more detour information, please see the attached.

The City encourages the public to please obey the work zone speed limits, use patience and caution as the area is a construction zone. We apologize in advance for any inconvenience this may cause. Thank you.

TOTAL INTERSECTION CLOSURE: Town Ditch Project - Mykawa & Orange – 9/7/2010
