**Subject:** **ROAD OPENING POSTPONED: McHard Rd. Reconstruction – Country Place Pkwy (CR94) to Country Place Blvd – Monday, August 30, 2010**

---

The opening of Phase 2 of the McHard Road reconstruction (from Country Place Parkway to Country Place Boulevard) scheduled to open, weather permitting, by the **evening of Monday, August 30, 2010 and signal turn on scheduled by the evening of Tuesday, August 31, 2010 have been postponed**. We will send out another information notice later this week to update the status of the project and provide a new opening date.

The contractor will continue finalizing work items, weather permitting, on the newly reconstructed westbound lanes and signalized intersections this week. The signals at the intersections with CR 94 and Country Place Boulevard will remain on flashing red.

The City encourages the public to please obey the work zone speed limit, use patience and caution as the area is still a construction zone. We apologize in advance for any inconvenience this may cause. Thank you.
