TxDOT SH35 Widening Project
Monday, August 30, 2010

The following traffic advisory is for the TxDOT State Highway 35 (SH 35) Road Widening Project.

ADVISORY INFORMATION:

A traffic switch on SH35 is scheduled to occur on Monday, August 30, 2010. All traffic will be shifted to the east onto the temporary pavement area between FM518 and north of Orange Street. Dedicated left turn lanes at Orange Street and FM518 will be closed. Although traffic may still turn left, it may only do so when the green arrow appears.

Please be aware of the changed roadway conditions and exercise caution.

The City encourages the public to please obey the work zone speed limits, use patience and caution as the area is a construction zone. We apologize in advance for any inconvenience this may cause. Thank you.
