MEDIA ADVISORY

**THE CITY OF PEARLAND HOSTS OPEN HOUSE FOR
NEW TWIN CREEK REGIONAL LIFT STATION**

- What:** The City of Pearland is hosting an open house for the new Twin Creek Regional Lift Station, Sanitary Sewer and Force Main project. The creation of one centralized lift station will improve city service and require less maintenance. Open house attendees can view the project layout, project exhibits and hear from city representatives and project consultants from Pate Engineers, Inc.
- Who:** The general public - especially adjacent property owners – is encouraged to attend.
- When:** **Tuesday, Jan. 31, 2012**
5:30 p.m.
- Where:** The University of Houston – Clear Lake Pearland Campus
1200 Pearland Parkway, Pearland, Texas 77581
(The open house will be conducted in the lobby near the Pearland Economic Development Corporation (PEDC) office located at the northeast side of the campus. Parking on campus is by permit only; please park in the PEDC area of the parking lot.)
